

Kataleifos Interview Introduction

Kataleifos:

I will start speaking Greek now, OK? Yes, an award is a moral victory for an actor and especially when it comes from the audience, because it is more just and objective compared to awards voted on by committees.

Dia Philippides:

Still, not everyone gets an award -- in that way you distinguished yourself and I am very glad.

Kataleifos:

Thank you very much.

Dia Philippides:

We congratulate you! -- always deserving, and to your next award!

Kataleifos:

Thank you.
