

### Kataleifos Interview Question 18

#### **Kataleifos:**

This too is a difficult answer (to give), because I've had the luck to have played wonderful roles in the theater, (in plays) by very good writers, including, certainly, George from (*Who's Afraid of Virginia Woolf*), Pinter's *Caretaker*,... Manders from *Ibsen's Ghosts*, what else? Chekhov, and Beckett – I have played in Krapp's *Last Tape*, which is one of my favorite roles. Luckily, I have played wonderful roles; I am fortunate in this respect.
