

Kataleifos Interview Question 19

Kataleifos:

I hope so. I want to also send many greetings to the students. I hope that they can engage with the cinema in a very creative way. Myself, as a spectator, I like the cinema much more than the theater. One of my greatest pleasures is watching nice films, so I hope that the students will enjoy them too. I prefer to watch the cinema. I really like it. Yes. I too thank you very much.
